THE SENTINEL.

WM. E. PELL, SEATON GALES. } Editors.

Wednesday, June 13, 1866.

First of July.

On this day, the first of July next, the time for which many of our subscribers to the Daily have paid, will expire. We trust they will all renew in due time. We are contemplating considerable improvements in the *Sentinel*, about that time.

In Arreares.

Many of our friends are in arreares to us for the Daily, sent to them before the 1st of April last. We are waiting on them patiently to remit.

The University of North Carolina.

The seventy-second annual Commencement of this honored institution, opened on Tuesday evening of the 5th inst. This literary festival of 1866, will long be remembered as one of the most brilliant in the annals of this time-honored Institution. Under the pecuniary pressure and the depressing tendency of the times, it was a carnival that constitnted an epoch in our literary history.

The attendance of *distingues* and of the fair was as full as upon any former occasion. Gov. Worth and Ex-Govs. Morehead, Graham and Vance, were present. We may say that the literary exercises came fully up to the level of any former commencement.

The following young gentlemen of the Freshman Class, chosen from the two Literary Societies, declaimed with much credit to themselves. The subjects selected were appropriate:

1. Platt D. Walker, Wilmington, N. C.
2. Willie Maverick, San Antonia, Texas.
3. Thos. C. DeRossett, Wilmington, N. C.
4. Blair Burwell, Louisburg, N. C.
5. Jas. M. Means, Cabarrus, N. C.
6. Alfred T. Alston, Warren, N. C.
7. Joseph C. Webb, Hillsboro, N. C.
8. Peter M. Wilson, Warrenton, N. C.
9. Edmund Jones, Jr., Caldwell Co. N. C.
10. Virginius St. C. McNider, Edenton, N. C.
11. Alonzo Phillips, Hillsboro, N. C.
12. George V. Cowper, Hertford, N. C.

All succeeded excellently. Messrs. Burwell and Phillips were specially noted.

That splendid Brass Band, the Salisbury Band, instructed by that excellent master, Wm. Neave, added much to the *animus* of the occasion.

On Wednesday at 11 o'clock the graduating sermon was delivered by Prof. Charles Phillips, from 1 Cor. XIII, 13, before one of the largest audiences ever gathered in the Chapel. The opinion is almost a universal one, that Prof. P. is scarcely excelled on the continent, if indeed he can be, as a Professor in his chair. The effort on this occasion as on many others, shows that he is not only a brilliant Professor, but that he is a strong and powerful preacher. His theme "charity," was not only well-chosen indeed, it would never be out of place, but on this occasion was so strikingly illustrated and eloquently enforced, that many were the resolves of the audience, hereafter, to banish from their hearts all envies, jealousies and evil speakings and to cultivate more assiduously the Godly virtue of *Love*.

Wednesday evening was devoted to declamation from the Sophomores in the following order:

1. Fabius H. Busbee, Raleigh, N. C.
2. Augustus W. Graham, Hillsboro, N. C.
3. William D. Horner, Granville, N. C.
4. Isaac R. Strayhorn, Hillsboro, N. C.
5. George G. Latta, Knoxville, Tenn.
6. William S. Pearson, Morganton, N. C.
7. Edwin W. Fuller, Louisburg, N. C.
8. Isaac H. Foust, Randolph, N. C.
9. James W. Harper, Lenoir, N. C.
10. J. Burgwyn McRae, Savannah, Ga.
11. Wm. H. S. Burgwyn, Northampton, N. C.
13. Paul B. Means, Cabarrus, N. C.

The selections were of the first order, and the performances were regarded as highly creditable.

On Thursday, at 10 o'clock A. M., there was a perfect jam to hear the Literary Address. This was delivered by Hon. Z. B. Vance, in his happiest vein. Though prepared after very short notice, his reputation as a sound thinker and orator was fully sustained. Many thought it a faultless production, and fully equal to the occasion. It has been intimated to us that we may be furnished with a copy for the *Sentinel*, which we shall be happy to spread before the public at an early day. We hope we shall not be disappointed in this. We learn there was a general anxiety expressed by those who heard it, that it should be given to the public at once.

The afternoon of Thursday was devoted to the orations of the graduating class and the conferring of degrees.

The Latin Salutatory was by Mr. George Slover, of Newbern, the valedictory by Mr. W. C. Rencher, of Chatham, and "*Suae quisque fortunæ faber*," by Mr. Abner H. Askew, of Hertford county. The orations were capital and highly honorable to the orators.

The Degree of Batchelor of Arts was conferred on the following young gentlemen:

Abner H. Askew, Hertford,	N. C.
Wm. C. Rencher, Chatham,	"
George Slover, Craven,	"
Charles J. Austin, Edgecombe,	"
Elias H. Bryan, Chatham,	"

The Degree of Master of Arts was conferred on Messrs.

J. H. Colton, Cumberland co.	"
C. M. Stedman, Chatham	"

Rev. R. S. Webb, N. C. Conference	"
A. N. McKimmon, Raleigh	"
J. H. Saunders, Chapel Hill	"
Rev. M. M. Marshall, Elizabeth City	"

The degree of Batchelor of Laws was conferred upon T. M. Argo, Chapel Hill, N. C.

The degree of Doctor of Divinity upon Rev. Numa F. Reid, of the N. C. Conference.

That of Doctor of Laws upon Hon. E. G. Reade, of the Supreme Court of North Carolina, and His Excellency, Andrew Johnson, President of the United States.

The peculiar circumstances of the times, so affected, the Senior Class in its progress, the Faculty made no distinction in scholarship, but required Messrs. Rencher and Slover to decide between themselves which should deliver the Salutatory and the Valedictory. There was no instance of entire punctuality in this class.

In the Junior Class, the *first honor* was awarded to Mr. P. H. Winston, jr., of Bertie, Co. The *second* to Messrs. R. W. Means, of Cabarrus, and George McN. Rose, of Fayetteville. The *third* to Mr. A. G. Carr, of Chapel Hill. In this class Messrs. Means, Guthrie, Alston and Young were distinguished for punctuality.

In the Sophomore class, the *first honor* was awarded to Messrs. Busbee, Burgwin and Morehead. The *second* to Messrs. Harper, Maverick and Pearson. The *third* to Messrs. Fulton, Foust, Fuller, Graham, Horner, Means, Strayhorn and Thomas. Messrs. Harper, Pearson, Fulton, Means, Burgwin, Horner, Latta, Maverick, Morehead, Strayhorn and Wright, were commended for punctuality.

In the Freshman class, the *first honor* was won by Messrs. Cowper, McNider and Wilkes. The *second* by Messrs. Webb and Wilson. The *third* by Mr. Alston.

Messrs. Phillips and Burwell received the *first* distinction on the Bible and Mathematics, and the *second* in History. Mr. Maverick the first in Mathematics and the second in the Bible and History. Of the twenty members of this class, seven, viz: Messrs. Cowper, E. F. Jones, W. Jones, McIlhenny, McNider and Walker, were commended for their punctuality.

The entire *programme* passed off most delightfully. Much is due to the prompt and efficient efforts of the Chief Marshall, Mr. R. W. Means and his assistants, Messrs. Rose, Reeves and Young.

The number of delighted visiters was very large, equaling perhaps, the concourse that was in attendance, at the time of Mr. Buchanan's visit. The impressions were highly favorable to the laborious devotion, marked ability and high merit of the Faculty. The University has stood the shocks of war and yet lives in the confidence and earnest support of our people. May its shadow never grow less.

The Spirit of our Western Counties.

One of the most gratifying signs of the times, is the spirit for improvement and progress, evinced by our people in all parts of the State, and especially in the trans-montain Counties where there has been so much suffering and loss. We hail with joy any indication of that spirit, and we hope our people east of the mountains, are ready to afford our Western friends all the material aid of which they are capable.

Monday's mail brought us the last Asheville *News*, which contained the following letter. On Monday also, we received a call from Col. Cocke, the gentleman to whom the letter was addressed, who though a native of Tennessee, has become, a citizen of this State, and whose feelings are deeply enlisted in the improvement and development of the resources of the mountain District.

The prospect of an early completion of the Cincinnatti and Cumberland Gap Rail Road to the North Carolina line at Paint Rock, calls for correspondent efforts on the part of North Carolina to extend the Western Extension R. R. from Morganton to Paint Rock, via Ashville.—We hope to see this done at an early day.

The letter will explain itself:

MORRISTOWN, TENN., May 29, 1866.

WM. M. COCKE, Esq.—*Dear Sir*:—The Bill that was pending before the Legislature of our State, proposing to appropriate one hundred thousand dollars to our said road is now the law. We expect to resume the work on the road soon, and be able to have cars running on it from Morristown to Newport, twenty miles south of this, in a few months, and to Paint Rock, on the North Carolina line, in twelve or fifteen months. I am instructed by the Board of Directors, to notify you that they will meet in Morristown, on Friday, the 13th day of June, and you are requested to attend without fail—as a member of that board—as important business will be transacted—a settlement with J. W. Patton & Co.,—arrangements to resume the work, &c. You will please see N. W. Woodfin, John E. Patton, &c. Say to them that their attendance at said meeting is requested—that the board hope to make satisfactory arrangements with them in regard to the past contract, also to enable them to resume the work by a just modification of the contract, with the additional means in their hands—they would prefer that the old contractors would carry the work to completion, and hope that they have not lost any of their former zeal for the enterprise.

Yours truly,
M. CARRIGER.

Gratifying.

We are glad that the following extract, corrects an impression which was made here, by certain rumors of conversations, which led to the conclusion, that at least one press in the State would favor the repudiation of all public and private debts. We hope no public press in North Carolina will so degrade itself, as to countenance that monstrous iniquity. But to the extract:

"We can assure our friend that we are not a repudiator. Any report that we are a repudiator, or that we would advise either individuals or the State, to act dishonestly, is unfounded.—It is better to be poor and honest, than to be rich, and dishonest and mean."—*Standard*.

To all which we say, Amen!

The Gee Trial.

The Military Court resumed on yesterday, the examination of witnesses for the defence. Capt. Goodman being the last witness was put upon the stand. To-day he is to be cross-examined by the prosecution. His testimony will close the case. The arguments will be reserved for another day. Maj. Gee's counsel has entered a plea before Judge Brooks, we understand, for a writ of *habeas corpus*. We have not heard the result.

Persecutions of the Union Men.

We publish an article in another column, from the Asheville *News*, in reply to the charges made against our people of the mountain District, of persecuting the Union men. Justice to that people demands it.

We regret the course of so-called Union men on this subject. It can do no good to fish up the bad acts of the contending parties during the late war. Both sides were guilty of great impropriety and the exhibition of bad blood. But if a true history were written, it would be seen that the conduct of those who sustained the Confederate cause bears but little resemblance in malignity and crime, to the conduct of those so-called Union men and buffaloes, who simply espoused the Union cause to gratify their personal and partizan vengeance upon defenceless persons and for purposes of rapine and plunder. But there were many things done in the name of the Confederacy and in the name of the Union, by our own people, too bad to be named.

Whatever was done during the war, of whatever kind, by our own people on either side, should be blotted out, forgotten and forgiven. Our people on either side, at times, were scarcely sane—madness ruled the hour, hence we think that a general amnesty should be proclaimed by the Convention, for all acts committed by either party, from May 1861 to 1st. of May 1865. Nor should there by any persecution for opinion's sake. We have not heard of a well authenticated instance on the part of a true Southern man.

But lawless acts committed since May 1st. 1865, are wholly different, and should be restrained and corrected by the execution of the penalties of the law. Such we understand to be the cases of which so-called Union men complain as evidences of persecution for Union principles. There is no truth in the charge that we can put our finger upon.

It is said that North Carolina will be the first State to accept the terms of Congress, through the action of the State Convention, and next Louisiana, Tennessee and Arkansas will follow.

We clip the above from the Washington gossip as gathered from the letter writers and press of that city. We notice it to correct the erroneous impression it is likely to produce. North Carolina will not adopt or accept the terms proposed by Congress. Her Convention will not stultify her people by such action. We doubt if any Southern State will adopt it. Certainly the people of the South, nor any part of them, will do so, if they understand the true character of the proposed amendments.

Letter From Washington.

[CORRESPONDENCE RICHMOND DISPATH.]

The Report of the Committee on Reconstruction clearly defining the issue between the Radicals and the President—The policy of the latter to be held firm—The question of Suffrage in this District—Colorado to be again on the Boards, etc.

WASHINGTON, June 9, 1866.

The issue between the President and the Radicals is now very clearly defined. The latter, after weary months of doubt, uncertainty, and waverings, propose to unite all their differences upon the report of the Committee on Reconstruction and the proposed Constitutional amendment which has emanated therefrom.—The President holds fast to his own policy, and cannot be shaken, notwithstanding the periodical advancements which are being made by the extremists anxious to conciliate his favor. For months past it has not been the opinion of a single man that the present Congress would agree upon anything as a basis of restored Union which would allow the South representation. Passion rules the day too strongly to admit of any conciliation on the part of those who are under the complete control and subjection of Stevens, and unless non-representative men could, by any possibility, come from the South as the choice of her people, the probabilities of representation for two years at least are very uncertain. One thing is sure: civil law is to be paramount; and this is a blessing which, despite the disposition of Congress, will assuredly hold full sway. The people will learn soon that the industry and productive advantages of the Southern States are not to be despised. That *must* assert its power, and in this the President, trusting to the good common sense throughout the Northern and Western States, reposes great confidence. If his policy should fail, he goes with it, for in its truth he has embarked everything.

It has long been the intention to bring up in the Senate the House bill extending the elective franchise in this District. The superior importance (though both are extreme radical projects) of the subject which has been under consideration for the past two weeks precluded the introduction of a bill for the purpose. The advocates of the suffrage scheme are now endeavoring to have it acted upon with as little delay as possible, and predict its passage in a slightly amended shape from which it passed the House; by this they hope to obtain the signature of the President. The bill can pass the Senate as it came from the House if the attempt is made, though it is questionable if it can go through by the requisite veto to enable its passage again over a veto, which it would be sure to receive.

Next week the Colorado question will in all probability come up again. A strong effort has been made to muster two-third vote on it with very indifferent success. The trouble is only in the Senate, there being no doubt of the indisposition of the House to count at least two-thirds when the objections of the President are to be overcome.

Very few doubts are entertained that Mr. Davis will soon be released from confinement.—The President has not said a word to any one to warrant this impression; but at the same time he has not made an assertion lately which will give authority for the denial of the probability. It is well known that it has been his ardent desire to have the trial proceeded with forthwith, and the postponement of it, as is universally known, is from no fault of his. The next week or ten days must throw light upon this important topic. TIMON.

WHEAT CROPS.—We continue to hear favorable reports of the growing wheat crops in this and adjoining counties, now almost ready to harvest. Corn is doing finely. A gentleman who has travelled much over the county, reports that he never saw the farms in better condition.—The farmers, depending upon themselves, are working in earnest.—*Statesville American*.

STATE CONVENTION.

ADJOURNED SESSION.

TUESDAY, June 12th, 1866.

The Convention was called to order at 9 o'clock A. M.

The Journal of yesterday was read and approved.

Mr. Mebane, from the committee on adjournment, reported a resolution that the Convention adjourn *sine die*, on Monday next at 6 o'clock.

Mr. Mebane moved a suspension of the rules that the resolution might be considered at once.

Mr. Caldwell, of Burke, opposed the motion. He did not think the business of the Convention sufficiently advanced towards completion to justify fixing, at present, a time for adjournment. If so early a day were designated, members would become restless, and a day or two before the adjournment would find the Convention with barely a quorum. Proper deliberation should be had in amending the Constitution, and the people expected the Convention to finish the work before adjournment.

Mr. Mebane said that the Convention were decidedly in favor of an early adjournment.—He did not think the day designated too early. Fixing the time of adjournment would greatly facilitate the transaction of business, and, if necessary, the order could be rescinded, and a later day named.

The question recurring, the Convention refused to suspend the rules—two-thirds not voting in the affirmative.

Mr. Moore, of Wake, from the select committee, reported "an ordinance authorizing the sale of the State's interest in the Western North Carolina Railroad."

Mr. Bynum, from the same committee submitted a minority report.

Mr. Faulkner, from a select committee, reported a substitute for an ordinance to secure the rights of citizens in the navigable waters of the State, recommending its passage.

Mr. Dockery, from the Committee on Finance, reported back an ordinance to pay Provisional Judges for their services in holding Courts of Oyer and Terminer, recommending its passage.

Mr. McRae, from the same committee, reported an ordinance for the relief of Goodman Durden, Sheriff of Washington county.

Mr. Bingham introduced a resolution in favor of the estate of J. S. Bundy, late Sheriff of Catawba county.

Mr. Odom, a resolution denying the right of County Courts to levy taxes for certain purposes.

Mr. Howard, from the committee on Stay Law, submitted a report accompanied by an ordinance to change the jurisdiction of the Courts and the rules of pleading therein.

Mr. Bingham, by leave, introduced a resolution restricting members to fifteen minutes in debate, no member to speak more than twice on the same subject. Lies over under rule.

Mr. Dockery, a resolution to print 500 copies of an ordinance to legalize the acts of County Courts &c., for the use of Clerks, Sheriffs and members of the Convention. Passed under suspension of the rules.

The special order for 10 o'clock A. M. being the Stay Law, was postponed, on motion of Mr. Howard, and made the special order for the same hour on Thursday next.

Mr. Richardson, by leave, introduced an ordinance to amend an act of the General Assembly, entitled "an act to regulate salaries and fees."

On motion of Mr. Patterson, the Convention took up an ordinance to authorize the exchange of Stocks belonging to the State for bonds issued before the year 1861, on its second reading.

Mr. Barrow moved to amend the ordinance by striking out the word "year" in the fourth line of the first section, and inserting the words "prior to the 20th of May, 1861." (The object of this amendment is to cover the case of bonds issued to the Wilmington, Charlotte and Rutherford Railroad Company, bearing date April 1st, 1861. These bonds were used in paying for iron purchased in New York for said Road.)

The amendment was adopted, after some discussion.

The ordinance as amended then passed its second reading, and was read a third time.

The question being on its passage, the yeas and nays were ordered, on motion of Mr. Bryan.

Mr. Grissom stated, in explanation of his vote, that while he endorsed the principle embodied in the ordinance, and was opposed to anything looking towards a repudiation of the just indebtedness of the State, he was, as heretofore, averse to the Convention's engaging in general legislation whether upon financial or other matters. He should for this reason vote in the negative.

The question recurring the ordinance passed as follows:

AYES.—Messrs. Bagley, Baines, Baker, Barrow, Berry, Boyden, Brown, Burgin, Buxton, Bynum, Caldwell, of Burke, Caldwell, of Guilford, Conigland, Dick, Dockery, Eaton, Faircloth, Faulkner, Garland, Grissom, Harris, of Guilford, Harris, of Rutherford, Henry, Howard, Jarvis, Jones, of Davidson, Jones, of Henderson, Jones, of Rowan, Joyner, King, Logan, McCauley, McDonald, of Moore, McGehee, McIvor, McLaughlin, McRae, Mebane, Moore, of Chatham, Moore, of Wake, Murphy, Norfleet, Odom, Patterson, Person, Phillips, Richardson, Russell, Satterthwaite, Settle, Simmons, Spencer, of Hyde, Spencer, of Montgomery, Starbuck, Stephenson, Thompson, Walkup, Ward and Warren.—59.

NAYS.—Messrs. Bryan, Cowper, Dickey, Ferebee, Foy, Gahagan, Gilliam, Godwin, Haynes, Jackson, Lash, Lyon, McCorkle, McKoy, of Sampson, Pearsall, Perkins, Rush, Smith, of Johnson, Smith, of Wilkes, Swan, Willey, Winburne and Winston.—23.

The Convention proceeded to a further consideration of the amended Constitution.

Mr. Moore, of Wake, offered the following substitute for section 2, article III, which was adopted, after discussion:

"No person shall be eligible as Governor or Lieutenant Governor, unless he shall be a native citizen of the State or shall have been a citizen of the United States for twenty years, shall have attained the age of thirty years, shall have been a resident of the State for five years next, before the day of election, and shall have therein a freehold in lands and tenements of the value of two thousand dollars."

On motion of Mr. Moore, of Wake, article V was amended by the addition of a section providing that every person holding office or voting shall be a white person.

Also, by the further addition of a section excluding from office persons convicted of felony.

Mr. Moore, of Wake, moved to amend art. 7, by providing "that private property shall not be taken for public use without just compensation paid in due time." Adopted.

Mr. Buxton moved to amend sec. 4 of this article, by striking out the first clause and inserting the words—"No person shall ever be imprisoned for debt."

Mr. Buxton supported the amendment in an elaborate and able argument.

Messrs. Phillips and Eaton opposed the amendment on the ground that its adoption would protect from imprisonment fraudulent debtors and defaulting officials. As no one could now be imprisoned for debt unless there were a strong presumption of fraud, the amendment, though doubtless intended only for the benefit of the honest debtor, would enure only to the protection of the dishonest.

Messrs. McCorkle, Winston and King, also opposed the amendment.

Mr. McDonald, of Moore, addressed the Convention in its favor.

The question recurring, the amendment was rejected as follows:

NAYS—Messrs. Alexander, Allen, Bagley, Baines, Berry, Bingham, Boyden, Bradley, Brickell, Burgin, Bynum, Caldwell, of Burke, Caldwell, of Guilford, Cowper, Dick, Dickey, Dockery, Eaton, Ellis, Faircloth, Faulkner, Ferebee, Gahagan, Garland, Garrett, Gilliam, Godwin, Harris, of Guilford, Henry, Howard, Jackson, Jarvis, Jones, of Davidson, Jones, of Henderson, Jones, of Rowan, Joyce, Joyner, King, Lash, Love, of Chatham, Love, of Jackson, McCauley, McCorkle, McKoy, of Sampson, McGehee, McIvor, Nat. McLean, McLaughlin, McRae, Mebane, Moore, of Chatham, Moore, of Wake, Murphy, Norfleet, Odom, Patterson, Pearsall, Person, Phillips, Polk, Russell, Rush, Satterthwaite, Settle, Simmons, Smith, of Anson, Smith, of Johnston, Spencer, of Hyde, Spencer, of Montgomery, Starbuck, Stephenson, Thompson, Walkup, Ward, Warren, Willey, Winburne, and Winston—78.

AYES—Messrs. Brown, Bryan, Buxton, Foy, Harris, of Rutherford, Harrison, Haynes, Hodge, Logan, McDonald, of Moore, Richardson, Smith, of Wilkes, Stewart, and Swan—14.

The Convention then adjourned.

Proposed usurping action of Congress.

There seems to be a notion in certain Congressional quarters, that, by some legislative legerdemain, the provisions of the Constitution which require every action of the Congress to be submitted to the President for his approval may be obviated. This is rather curious, for if there is anything about which the Constitution seems to speak with perfect explicitness, it is this very subject.

We proceed to quote the words of the Constitution, which we recommend to the careful study of such members of Congress as propose to legislate on the line of the restoration of the seceded States to the Union, without submitting their action to the inconvenience of Executive veto.

The Constitution says:

Every order, resolution, or vote, to which the concurrence of the Senate and House of Representatives may be necessary, (*except on a question of adjournment*) *shall be* presented to the President of the United States; and before the same shall take effect, shall be approved by him, or being disapproved by him, shall be repassed by two-thirds of the Senate and House of Representatives, according to the rules and limitations prescribed in the case of a bill.

We apprehend that it is sufficient simply to call attention to this clause of the Convention. Whatever action one House may take by itself has not the effect of law. Each House can only act authoritatively upon itself as a House; but the moment a law or rule of general or special action is to be laid down by the legislative authority, both Houses must join in the action, and the result must, before it can assume vitality, be approved by the President.

The Constitution does not speak with logical precision when it says "all legislative powers are vested in a Congress."

To speak with entire precision, the legislative power is lodged primarily in the two Houses of Congress and the President, and secondarily, in the event of Presidential dissent, it is lodged effectively in two-thirds of both Houses of Congress.

One House can do nothing alone but set upon itself—as, for instance, "determine the rules of its proceedings," judge of the returns of its members, punish or expel members for improper behavior; in sort, do what is necessary to accomplish its mission as a legislative institution.

Both Houses, with the approval of the President, execute the legislative authority.

In the event of the President's refusal to concur in the action of the two Houses, evidenced by his veto, then *pro hac vice*, all legislative authority is vested in two-thirds of both Houses.

Such are the wise provisions of the Constitution, and they cannot be trampled upon, or evaded, or circumvented, or violated with impunity or success, for the judiciary of the country will stand ready to pronounce all such efforts null and void and of no effect.—*Nat. Intelligencer*.

THE ESTATE OF MRS. MARTHA B. EPPES.—The advertisement of Mr. Saunders, the Commissioner in Chancery in the Circuit Court of Buckingham County, Va., we apprehend is of interest to persons in this State. All the heirs or those who have claims against said estate, will do well to attend to it.

Messrs. B. P. Williamson & Co., have postponed their large auction sale.

Accidental Insurance Company.

We call attention to the advertisement of this Company in to-days issue by Messrs. Cowper & Moore. The institution is under the control and management of gentlemen of high character, and we presume there can be no question of its entire responsibility. We are fully committed in favor of the principle of insurance, either of one's house, his goods, his limbs or his life. Ordinary forecaste and prudence suggest the propriety. The proposition to insure against accident by this Company is rather new, but it is a happy conception. Call upon Messrs. Cowper & Moore and take a chance.

County Taxes.

We learn that in conformity to the views of the Public Treasurer, the Convention has passed an ordinance validating the acts of County Courts in imposing taxes, no matter on what principles they were laid. Power is given to the Courts at a general or special term, if they choose, *the present year*, to tax all subjects taxed for State purposes; and they may make such discrimination and exemptions as they see fit.

This is, we think, the best plan to settle all difficulties on this question. The Courts may have called terms and revise their levies, so as to avoid all hardship.

Remonstrance against the Cotton Tax.

WASHINGTON, June 11.

Brig. Gen. A. L. Guerney now of Selma, Ala., has sent a remonstrance to Congress, signed by Union officers and soldiers, now engaged in planting in that State, against the Cotton tax. The General urges that cotton cannot be raised at a profit, with a tax, and that it will drive out the 5,000 emigrants now there and prevent Northern emigration, without which the General thinks the Southern States cannot be purged of disloyalty.

Gen. Beauregard in Liverpool.

NEW YORK, June 11.

Gen. Beauregard visited the Liverpool Exchange, where his presence becoming known great interest was excited, and the news room rapidly filled. He was applauded on leaving and considerable numbers of people followed him through the streets.

From the Asheville News.

The Raleigh Standard.

We have refrained heretofore from saying anything about the course of the *Standard*.—An article, however, in its issue of the 29th. ult., contains an attack upon the Western and Mountain counties—so unjust that we cannot refrain. It is in reference to the ordinance of Mr. Caldwell, of Burke, introduced in the Convention providing a general amnesty for all crimes, save that of murder committed by our people, on both sides, during the war. Mr. Holden sets out by saying that "In many of the Western Counties the Courts have been so organized as the result of the appointment of disloyal magistrates by the last Legislature, that it is almost impossible to find true bills against secessionists, while true bills against Union men are found at once."

Here is a direct charge against Judge Merriman and Solicitor Coleman, and not only them, but the great mass of the people in the Western Counties. Now we have to say that this whole charge is false. In the first place the magistrates are not disloyal—some of them in the county were in the *Federal Army*—others are among the best citizens of the country.—The test of a man's loyalty is *how does he now behave*. Let the *Standard* or its "self posted informer" put its finger on a magistrate west of the ridge who is not true to the State and the United States if it can. In the second place we affirm that in every county from Clay to Mitchell (where Court is held this week) the most impartial justice has been administered to all. The people are every where satisfied, and if imposed upon, or trampled upon, they have not found it out. In Henderson county, if we are correctly informed, a majority of the true *bills* are against *secessionists* as the *Standard* terms them. In almost every instance a majority of the Grand Jurors were what the *Standard* would claim as Union men. In Yancey County, where true bills were found against several officers in the Southern Army, the foreman of the Grand Jury was John C. Kilpatrick—noted for having passed the lines—remaining with the Yankees for weeks. He is surely to the taste of Mr. Holden. The *Standard* says further:

"During the rebellion, under orders from Gov. Vance and J. Davis, (who is J. Davis?) Union men in our mountain counties were shot and hanged like dogs. Their bodies hung on the trees till they were putrified—they were slain in the valleys and gorges of the mountain; they were hunted down like wild beasts of the forest; and now when the flag of our fathers is again floating over us, Union men who, in their desperation retaliated for these persecutions and crimes, are indicted and punished by Grand Jurors, while secessionists and rebels who began these murders, are screened from punishment."

This will certainly be news to our people.—Does the Standard mean Buncombe for one of "the mountain counties" mentioned? If not, which are the counties, and what particular cases are included? The Solicitor ought to know. We don't like to open old wounds, but would enquire if the Standard includes the killing of Col. Harvey Davidson's daughter in Cherokee and the cold blooded murder of his innocent boy, a fair haired lad, who was left dead upon the highway? Does he include the murder of J. H. Smith, Lieut. Morgan and poor little Bobby Wells, just below Asheville, in his horried catalouge?

The *Standard* says the rebels began this work. Does that paper not know that the first outrage of any kind, which occurred in the country, was the Laurel raid upon the town of Marshall, when the town was sacked and several men shot at and wounded, escaping only by the darkness of the night? If he don't know, we do. We repeat we don't want to discuss these matters.—God knows we have made peace in good earnest with all men. We are willing and anxious for the law to assert its majesty and supremacy.—Let the guilty suffer and the innocent go free forever, is our motto. Therefore we do candidly advise Mr. Holden that he cannot do any good by opening these mournful scenes anew; nor must he think we will submit in silence to charges so unjust and so groundless.

The *Standard* continues: "Such are the fruits of Gov. Worth's Administration"—and then in substance says that the pressure (if things continue as they are twelve months) would be so great upon Gov. Worth that he would not dare *pardon* a Union man. This too from the defeated candidate—from a faction, about the majority—a majority at that fairly expressed and, to us in the West, most unexpected. A little more modesty, and less complaining, it seems to us, would be more becoming to our Ex-Provisional Governor.

And, after all, can he really think us so vile as to refuse our assent to the pardon of any man, who is meritorious in the least degree, or even entitled to our pity? We think it cannot be. The *Standard* must have been misled by the "well informed" member of the convention he speaks of. Who this member is we wot not, but it may be some one who has a little bit of a scrape himself to be adjusted by the courts, which has roused his ire.

But the *Standard* terms the late struggle on the part of the South a "hellish rebellion." Bah!

How does our beloved friend know it to be "hellish?" He must be acquainted with brimstone, smoke, tar, pitch and turpentine, and other ingredients, or else he would not know it so readily. What a pity it is that the country must be deprived of its rest and its tranquility by designing men; and what a greater pity it is that men's hearts are not turned to peace and good will, "in honor prefering one another."

The following letter to the Post Master, at Salisbury is of general interest, as the rules it contains will be of general application:

Liverpool Markets—European News.

NEW YORK, June 12.

The Scotia has arrived with Liverpool dates to the 2nd, and Queenstown to the 3rd inst.—The latest from the Liverpool market is to Saturday evening June 2d. Cotton sales 15,000 bales including 3000 to speculators and importers. The market is buoyant and firmer with an advance of half penny, occasioned by late advices from America. Middling Uplands are quoted at about 14d. Provisions &c. quiet.—Consols at London 85¼@86¼.

The Conference.

It is fully confirmed that Austria, Prussia, Italy and the German diet will be represented in the Conference of Paris, by their ministers. Time is not fixed, but Clarendon, Gortsichakoff, Bismark, and La Marmora had officially announced that they would shortly arrive in Paris.

It is stated that Napoleon will preside, with Droyn d l' Huys as second plenipotentiary. It is reported that there is an understanding, if not an alliance between Austria and Russia to support the treaty of 1815. It is positively affirmed that Austria has declined to entertain the proposition for the cession of Venetia and has made over Holstein to the German Confederation. The London *Times*, in view of this action by Austria, regards peace as hopeless, and while it is possible, all the seven powers may not be represented in the Conference, the belligerents prepare for war.

British Parliament.

The debates on the Reform bill continue in the British Parliament. It is reported if the government have a majority they will withdraw the measure, and if defeated, resignation or even the dissolution of Parliament may ensue.

The very latest intelligence is that the British government is in a quandary on the Reform measure, as its solution is problematical.

Case of Mr. Davis.

WASHINGTON, June 11.

Mr. Shea, one of the counsel for Mr. Jeff. Davis, has made a motion before Judge Underwood in Chambers, in order to test the jurisdiction of the Court in Virginia, involving the power to hold the prisoner to bail. It being a judicial question, with which the President has nothing to do, Judge Underwood expressed the opinion which has always been insisted on by Chief Justice Chase, that so long as Martial law or military surveillance was enforced in Virginia, the Courts were a mere adjunct and to be used in aid of the military power.

Judge Underwood declined to issue the writ of *habeas corpus* to bring Mr. Davis before his Court, until he received from the President a relinquishment of the accused to the civil authorities, Mr. Davis being now a prisoner of War.—Judge Underwood delivered his opinion in writing, which was delivered to the President by Mr. O'Connor. All action in the premises is suspended until further orders from the Government. It is stated upon the authority of counsel, that no application for bail was made to Chief Justice Chase. Attorney General Speed, Chas. O'Connor, and Ex-Gov. Pratt were among those present in Judge Underwood's chambers to-day.

Within the last few days Mr. Davis' friends both professional and otherwise, have had free admission to him.

The passage of the resolutions by the House declaring in its opinion that Mr. Davis should be kept in custody until his trial by law, was superinduced by the apprehension that he would be bailed. The rules were suspended for the purpose of passing the resolutions.

Fenian Invasion Ended.

NEW YORK, June 11.

The Fenian invasion terminated in a fight about six miles from St. Armaunds. A British brigade charged upon a small portion of Speer's army that had remained behind, and captured 16 prisoners. Some of the Fenians were killed, but how many is not known. This fight took place almost on the boundary line, across which the Fenians were compelled to retreat.—The English, however, had no idea of stopping on account of boundary line and charged forward, firing upon the retreating band of Fenians. They also made some captures on American soil. This affair has been reported to Gen. Meade, who is investigating it.

Congress---Blackguardism.

WASHINGTON, June 11.

In the House to-day, personalities of the grossest character were indulged in by Messrs. Grinnell and Rousseau. The latter denounced Grinnell in very severe terms.

Elections in Oregon.

SAN FRANCISCO, June 10.

A Portland, Oregon, dispatch states that the Union majority in Oregon is 809, with four counties to hear from. The State Senate stands 14 Union and 18 Democrats. Both parties claim the lower House. The total vote was 22,220.

New York Markets.

NEW YORK, June 11.

The Bank exhibit shows a decrease in loans of $1,420,000, specie $503,600, $276,900, in crease in deposits $4,376,000, legal tenders $6,449,000.

The Cholera.

The Cholera has entirely disappeared from Liverpool.

Spain and Chili.

The London *Herald* says that the Chilian Minister had demanded his passport. It is said that the British government has offered them to both belligerants. Spain is incensed at Mr. Lavard's language, and Chili is indignant at being left in the lunch at the eleventh hour.

A NEW AND GRAND EPOCH IN MEDICINE!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses subdue the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast supersoning all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so called) remedies of which, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disenfectant power of Maggiel's Salve. In fact, it is here announced that **Maggiel's Bilious, Dyspeptic and Diarrhea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 41 Fulton Street, New York, and all Druggists, at 25 cts. per box. Sold by all Druggists in Raleigh.

IS

Universally Admitted to Be the Best.

This new book of Mr. L. O. Emerson's has already had a sale altogether unprecedented—and though his previous work, THE GOLDEN WREATH, reached its *three hundredth edition of one thousand copies each*, present appearances indicate that the "MERRY CHIMES" will go beyond it.

The Elementary Department contains Just those Peculiar Elements that Attract and Retain the Attention of Children. The Songs are not old and time worn—sung through a dozen books—but, New and Sparkling, Adapted to all Occasions, and Alive with the Spirit of Times. Price 50 cents a copy—$5.00 a dozen. Specimen Pages on application.

Ayer's SarsaparHla

is a concentrated extract of Sarsaparilla root, so combined with other substances of still greater alterative power as to afford a reliable antidote for chronic diseases. Such a remedy is needed by those who suffer from scrofulous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow citizens. How completely this compound will do it has been proved by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's, then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agents below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by DR. J. C. AYER & CO., Lowell, Mass., and sold by

Williams & Haywood, P. F. Pescud, Raleigh, N. C., and Dealers generally.

A BOON TO THE SICK AND THE LIGHT OF THE WORLD.

DR. MAGGIEL'S PILLS AND SALVE.

These Life-giving remedies are now given publicly to the world. For over a quarter of a century of private practice the ingredients in these

LIFE-GIVING PILLS!

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be

A VERY FOUNTAIN OF YOUTH,

For in every case they add new life and vitality, and restore the waning energies to their pristine state.—To the young and middle-aged they will prove most invaluable, as a ready, specific and sterling medicine. Here is a dream realized, that Ponce-de Leon sought for three hundred years ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

An Eternal Spring!

It was left for this day and hour to realize the dream, and show in one glorious fact, that magic that made it fair.

THESE FAMOUS REMEDIES

Cannot stay the flight of years, but they can force back and hold about, diseases that might triumph over the aged and the young. Let none hesitate then, but seize the favorable opportunity the offers. When taken as prescribed—

FOR BILLIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS,

They will not harm the most delicate female, and can be given with good effect to prescribed diet to the youngest babe.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most invaluable. It does not heal externally alone, but penetrates with the most searching effects to the very root of the evil!

THE UNDERSIGNED has the satisfaction of announcing to the public, that he has leased these celebrated Springs, and that they will be opened for the reception of visitors on the first day of June ensuing

His arrangements are of that complete and extensive character, that he will be able to accommodate a large number of guests and to offer greater attractions than usual to those who may visit

This pleasant and healthful resort.

No trouble or expense will be spared to render his patrons comfortable and satisfied.

The grounds are elegantly laid off, and the buildings are enlarged and improved.

He will have ICE, MILK, VEGETABLES, and all the substantials and delicacies of the table in profusion.

The bar will be supplied with the finest liquors, and a billiard saloon and bowling alley, for amusement and exercise, be at the disposal of visitors.

The Medicinal Properties

Of the Sulphur water have been amply tested during many years by a large number of visitors, and its beneficial results strikingly displayed in the cure or relief of

Dyspepsia, Affections of the Liver, Jaundice, Diseases of the Skin, &c.

Another Spring has been discovered in the vicinity of the establishment, an accurate scientific analysis of which [given below] proves that it is a valuable *Chalybeate*. It is a mild and gentle tonic, and in the opinion of the physicians who have examined it, and witnessed its effects in some cases during several seasons, must prove beneficial in *Atonic Dyspepsia, Chlorosis, Uterine, Nervous and Neuralgic Affections connected with Debility*; and of especial service to persons living in malarious regions of country, whose blood has been robbed of its normal proportion of iron by repeated attacks of malarial fevers.

Persons travelling on the Raleigh and Gaston Railroad will always find a line of stages, under the management of Mr. Granger, ready for their accommodation at Warrenton Depot. There will be a daily mail from Warrenton to the Springs.

COTTON GINS,

MANUFACTURED BY

W. G. CLEMONS, BROWN & CO.,

COLUMBUS, GA.

WE have received the manufacture of Cotton Gins in this city, and will be prepared to fill orders by 1st June next. As we shall not be, as heretofore, represented by traveling agents parties wishing our Gins, will confer a favor by sending in their orders at an early day. As owing to the demand, we shall be unable to keep a stock in the hands of our local agents, as it was our practice before the war. All business transactions being now reduced to *cash*, our sales will be made on the basis of *ready pay*.

Our Gins are too well known to require any special notice or commendation; we believe they are unrivalled in the chief points of excellence which go to make up a superior machine, namely: *Speed light draught and good sample.*

Our DOUBLE CYLINDER GINS will be found superior to the single cylinder, when parties have steam or good water power, to give them the necessary speed. In all cases when this can be done, we recommend them in preference to the single cylinder. If, however, indifferent or *insufficient* power is used, they will not do as well as the single Gin.

Messrs. DeROSSET & CO., Wilmington, N. C., are our general agents for the State of North Carolina.

W. G. CLEMONS, BROWN & CO.

Columbus Ga., April 24 '66.

We will give prompt attention to orders for the above celebrated Gins from any part of the State. The price is five dollars (5) per Saw at the Factory, and five dollars for each Gin will only be charged to purchasers for transportation to this point.
